Andrew, I'm assuming you will edit, accept changes and send to Kris? If you want me to, let me know. Regarding the release date, I think we need a couple more days to finish up (Andrew will weight in) and I don't know how short/long it would take to do everything else.

Chris had a few minor comments, kicked back to the team, especially about potential release time frame

Hi all,

Looks great. I've included a few edits here and there mostly for spacing after periods (one space), one date change, and the consistency of NAS vs NASEM considering their name change. One question related to language from Chris F.

If you're good with my tweaks, I'd say send it on.

Thanks!

Samantha
